Vt tribus eximijs ornatus dotibus est Rex;
Vt pote Fortunæ, Corporis, atque Animi:
Singula quæ tantis exis tunt prædita donis,
Non sine mente Deûm, sic tria Regna tenet.
Viuite felices tanto sub Rege Britanni,
Ipsius et laudes sæcula quæque canant.

Crispin de Pas excudit Colonię.

Quad Iudeb.

Danorum Regis Friderici gnata secundi,
Quam Sophia in lucem ter veneranda tulit:
Te sibi connubio iunxit, tum sceptra Scotorum,
Nunc etiam Anglorum qui diadema tenet
Sors hæc vnde tibi? superas virtutibus annos,
Sexum animis, morum nobilitate genus.

Matth. Qu. Iudeb.

Magna quidem res est, Regalis turpe creari:
Maior, maiorum facta decora sequi:
Maxima, nosse Deum fontem causamque bonorum,
Atque in præceptis viuere ritè suis.
Esto tibi ergo meæ, Deus optime, cura iuuentæ,
Solus qui Reges, qui Populosque regis.

Crispin van de Pass excudit.
